Timothy Tregenza

European Agency for Safety and Health at Work (EU OSHA)

Tim Tregenza is network manager at the European Agency for Safety and Health at Work (EU OSHA) where he is responsible for the national focal point network of Member States and for the international relations of the Agency. Before his current role he managed projects collecting, analysing, and disseminating good practices in occupational safety and health. Prior to joining the EU OSHA he was an inspector for the Health and Safety Executive in the United Kingdom.
